

Press release 1 March 2017

## **Baja: Edge of Control HD coming to Playstation 4 and Xbox One in May 2017**

**Karlstad (Sweden), Vienna (Austria), March 1, 2017.** Originally, Baja: Edge of Control were released on Xbox 360 and PlayStation 3 by THQ Inc. We have in the past months upgraded the game to fit the current console generation. It will be distributed both physically and digitally on a global basis in May 2017. The game is another title under THQ Nordic ongoing program for Asset Care.

### Features of the HD version:

- Greater immersion via various graphical improvements including better textures, higher framerate and increased details
- More authentic racing by improved rendering techniques for shadows, lighting and dust effects
- More accessible gameplay due to improved controls, user interface and an easier career start
- 4 player split screen and online multiplayer
- More than 160 vehicles to choose from
- Monitor and repair vehicle damage via truck and helicopter teams
- Authentic vehicle physics respond to any bumps and ruts you drive over
- 200 authentic vehicle parts to help fine-tune the performance of your off-road machine
- More than 100 tracks, nine open worlds and 1000 miles of drive-to-horizon landscape
- Lots of different events, including Hill Climb, Baja Endurance Races, Closed Track Races and more
- Free roaming gameplay: drive as far as you want and find hidden tracks, jumps and more off-road madness
