Buyback of B shares in Embracer Group during week 34, 2026

Between 17 August 2026 and 21 August 2026 Embracer Group AB ("Embracer Group") (LEI code: 549300RFXXKT652HB549) has repurchased in total 233,600 own B shares (ISIN: SE0023615885) as part of the share buyback program initiated by the board of directors on 20 May 2026.

The share buybacks are a part of the SEK 750 million program that Embracer Group announced on 20 May 2026. The buyback program runs between 20 May 2026 and no later than 31 March 2027 and is being carried out in accordance with the EU Market Abuse Regulation 596/2014 (MAR) and the European Commission's Delegated Regulation 2016/1052 (the Safe Harbor Regulation).

The purpose of the buybacks within the buyback program is to reduce the share capital of Embracer Group in order to optimize Embracer Group's capital structure and thereby contribute to increased shareholder value. Therefore, the board of directors intends to propose that the repurchased shares under the program are cancelled by way of a reduction of Embracer Group's share capital at the next annual general meeting.
